## "As Long As The People Got Somethin To Say"

*[Chuck verse 1]*

We dont control sht  
No education  
Enforcement  
Economics  
Depending on governments  
Forever in a plantation state  
Damn this is why i hate hate  
Wanna do something for the people  
Make us equal  
Instead of creatures  
Who got human features  
Let the whole world reach you  
Things classrooms cant teach you  
Now can you dig it?  
Sing the song till we all get along  
Feed the poor  
Damn the law  
When they trained em, taught em  
Killed em when they caught em  
Set up wet up  
When they no longer could afford em  
Put disease across the seas  
Got the third world on their knees  
Get it  
As long as the people got something to say  
  
As long as the people got something to say

They never taught you the truth or how to survive  
They clone doctors to put a spin on it  
Hip hop heads to shook to pull the cover off it.

It may effect there sales tip the scale  
The way it looks they'll end up dead or in jail.

We busy spinning and grinning on 26's you sitting  
Change your god for your wealth thinking heaven your gettin.

You must be pre-sistance in mass resistance  
Love thy enemy and make this committment  
To engage in struggle, with a clench fist lift it  
Be true to self before the GOD end this.

Yo! Public enemy we back in your.....
